We have been using Sportiva - Cricket Batting Cage nets supplied by Garware – Wall ropes Ltd.

We have installed these nets at our sites and our players of different age groups practice regularly in these nets.

We have found the nets very durable and strong to withstand the impact of the ball at high bowling and hitting speed. We are extremely pleased with the performance of these Cricket Nets.

We therefore recommend using

**'Sportiva – Cricket Batting Cage Nets' by Garware – Wall Ropes Ltd.**

for quality and cost effective solutions.
